

Saving Light (3:19)

I remember lying in bed at night
in darkness
that kept me from the light
crying
I knew that something was missing
Confusion, it seemed to rule me
No direction...just uncertainty
Lying,
always lying to myself
(Chorus) But now my confusion is gone
No more empty nights
cause you're always there
Lord, you're my Saving Light
I wanted, I wanted a fancy car
to be a rock'n roll star
Trying,
trying to do it all on my own
Then one night you said to me
"Son give your life...give it back to me"
Dying,
dying I was born again
(Chorus)
Lord, you're my Saving Light
you give me light in the darkest night
I'm never alone 'cause you're always there
I give you praise and exalt your name
I'll never play those games again
My life is yours, and my gift is my song
(Chorus)

Give It All (4:51)

Do you feel like the walls are closin' in now
and your troubles are too much to bear
The pressures of life are bringin' you down
And it feels like nobody cares
The days, they seem to grow longer
and you feel like you're walkin' in place
I know One who's so much stronger
If you'd only seek His face
(Chorus) Give it all to the Lord
He's the only one who can see you through
Give it all to the Lord
He's the Way, the Life, and the Truth
Can you feel the weight of your burdens
Ask yourself, "Have you spent time in prayer?"
Just when you feel like you'll never stop hurtin'
I know Jesus will always be there
'Cause I know the victory is waitin'
It was you that He bore the cross for
There's no time for hesitatin'
just remember that He waits at the door
It's time to...
(Chorus)
It's time to...
(Chorus)
(Chorus)

Follow Your Heart (3:48)

If you ever knew the kind of love He feels for you
To send to us His only Son, that on the earth
His will be done
(Repeat above)
You say, "Hey man, that's good for you
It sounds so easy, but hard to do
I know I have much more to give
but while I'm here I want to live"
(Chorus)
Oh, sometimes your heart says "Yes"
but then your mind tells you "No"
Friend, listen to His call
Do His will
When He says "Go", it's time to go!
I see you struggling from within
Torn between the world and giving it all to him
But the choice is easy to make
when you realize how much is at stake
(Chorus) Follow your heart
You could make a brand-new start
Follow your heart
You could make a brand new start
If you ever knew the kind of love He feels for you
To send to us His only Son, that on the earth
His will be done
(Repeat Above)
(Chorus)
(Chorus)
If you ever knew...

Quiet Times (4:16)

I look forward to the quiet times
when we're alone again at last
'Cause sometimes the world, it gets to me
It's always moving way too fast
So I go in my room and I lock the door
and I get down on my knees
And then I pray to my Father God
as He listens patiently
Father, will you please forgive me
I didn't mean to displease you
I want to sing your praises all the time
Lord, I love you!
The world says that you're just a dream
But I know you've been here from the start
And while they're listening to Satan's lies
I feel your presence in my heart
I thank you for the life you've given me
I praise your only Son that died
I give you glory, 'cause He rose again
and your name I magnify
Lord, all I want is to serve you
Just tell me what I can do
I want to sing your praises all the time
Lord, I love you!...
